Garrett is a Finance Assistant and joined Wallace Properties in August of 2020. Prior to becoming a Finance Assistant, Garrett was a Property Management Assistant for several years, supporting the day to day operations on various properties. His current responsibilities are to assist the accounting team with day-to-day operations. Garrett also supports the Development team in data collection, research, document review and document organization.

Garrett is a graduate of Eastside Catholic and is currently studying at Bellevue College. He plans to pursue commercial real estate after earning his degree.

Garrett is a Bellevue native who has lived in the Pacific Northwest his whole life. He loves the rain and likes to spend his free time with friends, going on walks, listening to music and playing with his family dog, Dexter.
