

GALINA BENINA
Portfolio Accounting Manager
425-455-9976

Galina Benina is Portfolio Accounting Manager at Wallace Properties, Inc. She runs accounting and financial reporting for the firm's real estate portfolio, covering tax, development, and investment activity, and manages the accounting team.

She works with executives and the operating, development, and asset management teams on financial strategy, capital planning, cash management, reporting, and tax compliance. Her job is to get accurate financial information in front of the people making decisions, and to keep the accounting and governance behind those decisions sound.

Galina is a CPA with more than 20 years in public accounting and corporate finance. Her experience spans audit, tax, and compliance, along with leading finance teams and tightening up how financial operations run.
